In lieu of the preceding methods, an individual or entity having a charge account with the City in good standing may provide the City with written authorization to bill any unresolved clean up and repair costs which might be incurred against their account. A returned check will be subject to the returned check fee set in the City Fee Schedule and the reservations secured by that check will be voided.

C. Deposit Refund Procedures

1. Immediately prior to an event, the City will inspect the reserved site.
2. If more than one party is using the pavilions, the party using the pavilion with the stage will be responsible for the restroom/shower facility.

All trash will be deposited either in the City provided trash barrels, dumpster or roll-off (if present). Trash may not be left on the ground.
