I am seeking financial assistance from the EDC for the front only of my business or the front and back.
The second option is only available to businesses where the back is visible from designated streets or highways.

I propose to carry out the following improvements to the exterior of my business: (Briefly describe what you plan to do, e.g., paint, new or redo signage, replace/remove awnings, build new façade, etc.)

I estimate that the proposed improvements to my business will cost approximately \$_____.

Please attach a photograph, sketch, artists' rendering or computer simulation showing your business "before" and "after" the proposed changes.
