

# **HICO SENIOR CENTER IN JEOPARDY**

With the loss of state and federal dollars, the Hico Senior Center is in jeopardy.

## **WE'RE NOT GIVING UP WE'RE MAKING PLANS FOR THE FUTURE**

We have a vision for a Hico Activity Center where we can:

- ...continue and improve our senior citizen programs;
- ...build a broad base of local support;
- ...serve multiple needs in our community for citizens of all ages;
- ...establish a satellite library with internet access; and,
- ...partner with community outreach programs at Tarleton University.
